

THANK YOU!

YANA RIDE

Thank you YANA riders, donors, sponsors, volunteers and supporters across the Comox Valley and beyond for jumping on board and achieving success that far surpassed our biggest, boldest dreams! Together, we have raised over \$108,000 for Comox Valley families with children or pregnant mothers who need medical care away from home.

Make no mistake, when our community comes together like this in such a huge way, under such troubling circumstances, we are showing our youngest, most treasured people, and everyone who loves them, that we care. That we show up. That we will forever promise them - You Are Not Alone.
