

THANK YOU!

YANA RIDE

Thank you to every YANA rider, donor, sponsor, volunteer, and supporter in this community and beyond! Together, we have raised over \$77,000 for Comox Valley families with children or pregnant mothers who need medical care away from home.

Even in the midst of it all, through a time like no other, this community came together with creativity, resiliency, and unwavering commitment to holding each other up and letting each other know that no matter what
-You Are Not Alone.
