

# THANK YOU!

Thank you to every YANA rider, donor, sponsor, volunteer, and supporter in this community and beyond! Together we have raised **\$86,500**

for Comox Valley families with children or pregnant mothers who need medical care away from home. Absolutely AWESOME!!

This year was about transitioning gracefully, and coming back together stronger than ever. If this event was any indication, our community's support for YANA families is rock solid!

Thank you to our generous sponsors!
