

Support **YANA** this holiday season by purchasing one of these limited edition **PIANO** people. YANA (You Are Not Alone) supports local children and families needing to travel for medical care

- Made from 100% recycled vintage piano parts, each is about a foot tall and embellished with a whimsical bow
- Hips are hinged and can do the splits
- Adorn your Christmas tree or hang on a hook
- A great gift for accomplished pianists, up and coming virtuosos or just those hard to buy for people
- Limited edition only 28 available
- While just recently created, they are technically 116 years old, the age of the donor piano!!
- 100% of the money collected will be donated to YANA
- Expenses for labour, ribbon, adhesives etc., have been donated by the creators
- Take one of these home for a minimum donation of \$15.00
- Fundraising goal is \$500.00

And now for the fine print: These Are NOT toys and should be kept out of reach of children
