BECOME AN AUCTION ITEM DONOR TODAY!

Thank you for considering a contribution to the Big Love Benefit in support of YANA families. Your generosity helps ensure local families can stay together when they need to travel for medical care for a child or a pregnant mother.

We welcome donations of items, experiences, services, packages, or gift certificates for our silent and live auctions. All auction items will be listed online so that guests near and far can view, share, and bid.

To Participate:

- Please submit your donation details and digital logo as soon as you can (**Deadline: January 16**)
- Include a brief description and your website or social media links
- We are happy to arrange pickup if needed

Note: Items may be combined or packaged to create the strongest fundraising result. Gift baskets should include an itemized list and values.

Your generosity directly supports YANA in providing accommodation and financial assistance to local families during difficult medical journeys. Thank you for helping ensure that no family has to navigate this alone.
